Dear WMTC Team,

At the outset we would like to congratulate and thank WMTC team for the outstanding travel experience provided at South Africa and Australia. Both the trips witnessed the highest number of channel partners from Mitsubishi Electric for the designated slabs as compared to earlier years of travel. The way the itineraries were designed, organised, and executed on ground were commendable and flawless. Our channel partners are extremely satisfied by the foreign trips organised in current FY and look forward to attending many more in coming years.

We would also like to appreciate the crisis management done by WMTC team at Capetown due to the unseen and unavoidable issues we faced while return.

Last but not the least we highly appreciate the efforts put in by the entire operation team of WMTC across all the trips - Mr Anjan, Mr Umesh, Mr Sanjiv, Mr Prashant, and all other members.

We would convey special appreciation for Mr Anjan who has been the heartthrob for all the trips across Mitsubishi and our channel partners for his sheer dedication and efforts in making the trips a huge success.

Looking forward to more success and appreciation. 🙏
